OUTDOOR ACTIVITIES

10:00am – 4:00pm

Bikes for the World will be on site collecting new and used bicycles, bike parts and accessories to fix up and donate to countries around the world. Donate your outgrown, rusty or old bikes for reuse by those in need. www.bikesfortheworld.org/ Parking Lot A.

Goodwill Industries, Inc. will be in Parking Lot A collecting used clothes, electronics, toys, games, dishes, etc. Decrease your waste by allowing others to reuse your unneeded items. www.goodwill.org/ Parking Lot A.

10:00am – 2:00pm

Shredding Event in Parking Lot A – Free for County residents; 3 bags or boxes maximum.

11:00am – Noon

Garlic Mustard Pull – Help us rid the campus of this exotic plant invader. (Meet on the Quad outside the Galleria.)

11:30am – 2:00pm

Tree Planting – Sponsored by the Sierra Club on HCC Campus. Get your hands dirty and have extra fun! Help us plant a buffer around the pond just outside the doors of GreenFest behind the Galleria while learning proper tree planting techniques and enjoying some fresh air. (Meet at the pond behind the Galleria.)

Noon – 1:00pm

Join the Columbia Association for a watershed walk around campus and learn about our local watersheds and how it relates to the Chesapeake Bay. (Meet on the Quad outside the Galleria.)

1:00pm – 1:30pm

Children's binocular building activity followed by a bluebird walk with Michele Wright. (Meet at Howard County Rec and Parks Outdoor Recreation Table.)

1:30pm – 2:00pm

Watershed Walk - Bob Marietta will lead a walk around the HCC campus to point out all the signs of spring and the efforts of the college to create a nature trail, manage storm water, plant native flora. You will even visit the Howard County Champion American Beech tree! (Meet on the Quad outside the Galleria.)

2:00pm – 3:00pm

Reptile & Amphibian Survey - Help out with the five year reptile & amphibian survey underway state-wide. We will search a wooded area of the campus and identify as many reptile and amphibian species (snakes, frogs, turtles, etc.) as we can. Wear old shoes that can get muddy. Recommended for 10 years and older. (Meet on the Quad outside the Galleria.)

2:00pm – 3:00pm

Dumpster Dive – Join the HCC Environmental Club to find out how much of our daily waste could actually be recycled or composted rather than sent to the landfill. Gloves will be supplied for you to join in the sorting. (Meet on the Quad.)
